

Cleansing Gel with Salicylic Acid

A clear gel foaming cleanser with antiseptic action.

Skin Type:

Acne or acne-prone

Properties:

- Gentle enough to be used in a daily routine.
- Reduces sebum without disturbing the protective lipid barrier.
- Permits deep cleansing of dry skin and keratin plugs in the sebaceous follicle.
- Helps prevent keratin plugs.
- Has germicidal action that retards bacteria, reducing the formation of pustules.

Feature Ingredients

Salicylic Acid (2%)

Sodium C-14-C-16

Cocoamidopropyl betaine

Linoleic Esters
(patented complex)

Active Ingredients:

Other Ingredients:

Known Benefits
