

## Vitamin Veil Cleanser

A non-foaming, lipid-based cleanser that nourishes and soothes.

**Skin Type:** Dry, Sensitive, Mature, Rosacea, Post surgical

### Properties:

- Non-irritating, fast, thorough cleanser for all skin types.
- Gently and effectively removes dirt, debris, and lipids without breaking the skin barrier or denaturing the keratin.
- Removes makeup immediately. Quick and gentle remover for heavy mascara users.
- Leaves a thin veil of antioxidant protection on the skin.
- Facilitates the penetration of Circadia Plus by conditioning the cell matrix.
- Leaves skin soft and glowing.
- Soothing and comfortable for patients undergoing chemotherapy, post laser resurfacing.

### Feature Ingredients

Soybean (Glycine soja) oil

Vitamin E acetate

OPC:

Ingredients:

### Known Benefits

Emollient and emulsifying. A special heat-process is used to manifest several components not normally active in soybean oil.

Ester form of vitamin E, an antioxidant to counteract peroxidation compounds

Powerful free-radical neutralizers

Soybean Oil (Glycine Soya), Isopropyl Palmitate, Tocopherol (Vitamin E Acetate), Polysorbate 80, Propylparaben, Fragrance, BHT, Oligomeric Proanthocyanidins (OPC)

### Professional Use:

Remove all makeup prior to initially face cleanse. Apply a few drops to moistened cotton pad and remove eye makeup and lipstick. Continue by applying a small amount with fingertips to face and neck cleansing in a circular motion. Rinse thoroughly with warm moistened facial cloth or 4x4.

### Home Use:

Remove all makeup prior to initially face cleanse. Apply a few drops to moistened cotton pad and remove eye makeup and lipstick. Continue by applying a small amount with fingertips to face and neck cleansing in a circular motion. Rinse thoroughly with warm moistened facial cloth or 4x4.
